

DETAILS ABOUT PROJECT PRESENTATIONS

- Your paper (in PDF format) must be emailed to your discussants (and to me) by the Sunday before your presentation so as to allow time to the discussants to prepare their comments.
- Each author of the project will have up to 15 minutes to present their work; the total presentation of each project by the authors will last up to 25 minutes.
- The total number of presentation slides per project must not exceed 25.
- Each discussant will have up to 5 minutes to present their comments.
- Discussants must email to me their comments (in PDF) by 11am of the day of their discussion.
